## PRESS RELEASE

### Mary Beth Menard Receives Highest Award

**W**e are proud to announce that Mary Beth Menard, regional sales representative for Seed Research of Oregon, received the **Atlantic Seed Associations Seed Person of the Year Award**. Awarded annually, the recipient is cited for continued commitment to the Atlantic Seed Association and the seed industry in general.

In making the announcement, Robert Hart, President of the Atlantic Seed Association stressed Ms. Menard's long term commitment to the association and its members. Mary Beth Menard, a past president of the association, has remained active in the association since she relocated to Oregon's Willamette Valley 15 years ago.

Ms. Menard has been with Seed Research of Oregon for the past five years. She has over 20 years experience in the seed industry and covers a vast geographic area for Seed Research of Oregon. Her territory was recently expanded to include South America forage and turf sales.
